

Your Passion, Your Fundraising Page

Raise Money: Any Time, Any Occasion

with

A program of Community First Foundation

Sometimes there's only so much good you can do by yourself. We all need help to support Laradon's operations and the programs that mean the most to us. That's why ColoradoGives.org has made it easy for you to raise money for Laradon through Fundraising Pages.

By creating a personalized fundraising page, you can enlist all of the people you're connected with to support your cause.

When you create a fundraising page, you can:

- ◇ Add a personal appeal
- ◇ Upload photos and video
- ◇ Make a custom link to your fundraising page
- ◇ Explain why you'd like people to support this effort
- ◇ Set a goal and track your progress
- ◇ Determine when you want the campaign to end

Some common ways to use these fundraising pages include:

- ◇ You are running a marathon or other event and want donations to go to Laradon
- ◇ You would like people to give donations in lieu of wedding gifts
- ◇ It's your birthday and you'd prefer donations rather than presents
- ◇ You just feel like making a difference

Are you ready?

- ◇ Go to ColoradoGives.org and login to your donor account.
- ◇ Don't have an account? Create an account by following the prompts on the website.
- ◇ Search for Laradon's profile
- ◇ Click the "Fundraise" button

A YouTube video is available at ColoradoGives.org to help guide you through this easy process.
