We had 15 members participate in the eleven o'clock toast, as well as Howard Hurst, our last year champion start us off, and Byron Dunn finished us off with a near perfect rendition of the Jolly Cork Toast to conclude the contest.

Runner up Tom Leffollette, Greeley #809

At this time I would like to call upon Bob Schmitz for his excellence in Ritual awards.

President Al, I will save the balance of my report for the banquet this evening. But as I conclude I will say that there are 6 of the teams that competed that have a score of 97. something. So there it was not real easy pickings for our State Champion. But I am sure that the winning team will represent our State very well in Portland, OR.
